Para BIOCERR Indústria <biocerr@hotmail.com>

Hi Darlan,

We're thrilled to have you be a part of the WCEF2021 Virtual Expo Showcase. As we get closer to the event, I wanted to follow up with a few updates and important information for your Showcase.

(1) we've updated the categories for the Showcase and have listed BIOCERR under **Circular Business Models & Technologies**.

Let me know if you think BIOCERR would be better categorized in one of the other categories below and I'll update that for you:

- Circular Business Models & Technologies
- Circular Products
- Partnerships
- Circular Research & Policies

(2) Within the coming weeks, I'll send along a screenshot of your Showcase for your review. Keep an eye out for that email.

(3) Finally, if you haven't already done so, please register using [this link](#) and join us September 13-15 for WCEF2021!

Let me know if you have any questions on the above or anything else!

Best,
Taylor
